

Christmas Bells Ringing

Lyrics By

Hazel Hughes

Christmas bells ringing
Set our hearts singing,
This is the time of the dear saviour's birth,
Come and adore Him,
Kneel down before Him,
God's gift from Heaven,
Given to Earth.

Bells in the morning,
Christmas adorning,
Telling a wonder great to behold,
O Babe most holy,
In stable lowly,
Shepherd to guide the lambs in His fold.

Christmas bells ringing,
Set the world singing,
O'er all the Earth He Reigns as our King,
Crown him with honour,
He comes to bless us.
Through all our lives,
His praises we'll sing.
